

Technical drawing of a fence and gate system. The drawing shows a side elevation of a fence with a double gate (2.00 m) and a single gate (1.00 m). The fence is made of metal mesh (Stabgitterzaun) with a height of 1.20 m. The total length of the fence is 6.17 m. The drawing includes dimensions for the fence segments (1.05, 2.00, 9.95, 7.05, 1.00, 3.45) and the gate segments (2.00, 1.00). The drawing also shows the foundation and the ground level.
